Dear Pastor and Praying Partners, -
 March was another encouraging month despite the setback my wife is having from her surgery in February.
 For as long as I can remember Easter has always been a big attendance draw. We had a wonderful service for Easter, but the week before on the 17th was our monthly mission's emphasis day and the Lord gave us 2 baptisms and 6 visitors, that was a banner day for us!
 The week before, Scarlet, a 9-year-old who accepted Christ after attending our church for nearly 3 years, was baptized. Her mom and two older sis-

ters have been saved through our ministry.
 The other baptism was a 13-year-old boy who was saved before but had never been baptized.
 While waiting for members to meet me at McDonald's for Outreach, I had the opportunity to share Jesus with a young man who received the gospel and was gloriously saved, for which we praise the Lord!
 Thank you and God bless you for your partnership with us, EverycityUSA Church planters.

Excerpts from a fund-raising letter from Micah. I was touched, challenged, and excited by how the Lord moved his heart.

"I will be traveling to South Asia to engage with people groups who are considered to be unreached with the gospel.

I am choosing to participate because I want to grow in my relationship with Christ by learning and participating in God's heart for the nations.

I feel God has placed a burden on my heart to meet the compassion of our Lord."

"How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? And how shall they preach, except they be sent?"
